

2017-2018 Central Division Tournament Recap

Waco – September 23, 2017

Lake Stillhouse – October 22, 2017

Lake Austin – November 18, 2017

The day started off cloudy and a bit of wind temps were comfortable but that would change once the wind picked up and came from the North! We had 8 teams for this tournament.....The bite was slow for most. We had 13 fish brought to scale - Our first place team had a sack of 6.67 pounds with a big bass of 3.42. Earl brought the devotional for our group - "The way you give to others is the way God will to you, but God will give you even more." Mark 4:24 We spend so much time with our grandchildren, fishing, hunting, birthday parties, ballgames, and just being with them. We often revolve our entire schedule around them. No matter how much time, how much attention, how much love we give, we seem to always get back more. God says it will be that way with Him. We cannot out-give God. Many believing Christians have tested this, and I have yet to hear it not come true, Help others, and see how much God helps you. Increase your tithers and offerings, and see what God does. God is a rewarding God. He has our greatest reward ready and waiting - Heaven! He also has plenty of rewards to give us right here on earth. Our next tournament is on LBJ! Lake Buchanan – February 17, 2018

It was a good day of fishing! Everyone brought a limit to scale.....fish were caught on plastics and crankbaits. Earl brought the devotional on HOPE. Romans 15:13 Then your hope will overflow by the power of the Holy Spirit. Fishing is most certainly a game of hope. For most of us, including me, we just hope we get to go fishing soon. Once we

get on the water, we have an abundance of hope resting on every cast. Without hope we might as well stay home. Without God we have no hope for eternity. God has instilled in men the knowledge and desire for eternal life. He has also provided us with the way to eternal life with Him. This way is Jesus. Jesus died for our sins so we could have eternal life with Him in heaven. This is a Christian's hope, and life would be meaningless without it. Our life would simply be living day-by-day

fearing death. With Jesus, we are assured of eternal life with God.
